| Important Questions | Answers | Why This Matters: |
|---|--|---|
| What is the overall deductible ? | \$0. | See the Common Medical Events chart below for your costs for services this plan covers. |
| Are there services covered before you meet your deductible ? | No. | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | No. | You don't have to meet deductibles for specific services. |
| What is the out-of-pocket limit for this plan ? | \$1,500/person or \$3,000/family for In- Network Providers . | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. |
| What is not included in the out-of-pocket limit ? | Infertility services copay, Premiums , balance-billing charges, and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit . |
| Will you pay less if you use a network provider ? | Yes, Vivity. See www.anthem.com/ca or call (855) 333-5730 for a list of network providers . Costs may vary by site of service and how the provider bills. | This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist ? | Yes. | This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist . |

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
